

A selection of Ganesh's academic publications and conference presentations.

Ganesh's research interests are in Multivariate Statistics, Data mining and Biostatistics, as reflected in these publications

- § Ganesalingam S., Ganesh S., (2006) **Ranked set sampling versus simple random sampling in the estimation of the mean and the ratio.** *Journal of Statistics and Management Systems* **9** 459-472.
- § Chen J., Marshall B. R., Zhang J., Ganesh S., (2006) [Financial distress prediction in China](#) *Review of Pacific Basin Financial Markets and Policies* **9** 317-336.
- § Ganesalingam S., Nanthakumar A., Ganesh S., (2006) **A comparison of quadratic discriminant function with discriminant function based on absolute deviation from the mean.** *Journal of Statistics and Management Systems* **9** 441-457.
- § Kelly T. C., Mason I. G., Leiss M. W., Ganesh S., (2005) **University community responses to on-campus resource recycling.** *Resources, Conservation and Recycling* In press, corrected proof .
